

Supervisor Gold Card Update Course

A one-day course updating current Gold Card holders on safety management practices.

All holders of the Supervisors Gold Card are required to attend a two-yearly update course. This course enables Trainees to keep abreast of the very latest safety management practices and assist Supervisors, Foreman and Leading Hands in implementing these practices.

Course Outline

The Update course is designed to help Supervisors develop their own practical and specific action plans that they can use to change the way they manage safety on their jobs. The course focuses on Supervisor responsibilities, competencies, staff training, communication and coordination.

Key topics of discussion include:

- Safety and productivity
- Safety principles
- Employee participation
- HSE Act and Amendments
- Commitment, beliefs and actions

Throughout the course, Trainees will develop specific actions that they can take to plan safety, monitor performance, train Employees, communicate effectively and involve Employees in safety decisions.
