Stand for safety

> Site Safe membership isn't just something you have, it's something you stand for - a safer construction industry for your people and for Aotearoa.

Why become a Site Safe member?

Site Safe membership gives you access to practical resources, exclusive content, templates and guides to strengthen your team's safety know-how. You also play a role in shaping Site Safe's advocacy work for members, helping to drive better safety outcomes across the sector. With a range of member-only benefits and discounts, membership quickly proves its value.

Above all, it's a clear commitment to looking after your people and those you work with - and to taking safety seriously, every day.

Who is it for?

Whether you're a large commercial constructor or an entrepreneurial tradie, Site Safe membership is tailored for businesses of all sizes across our sector:

- Sole traders
- Small businesses
- Large enterprises

Better yet, all staff of Site Safe member businesses also gain access to our membership benefits.
