### General Topics:

The forum was attended by 93 representatives of industry from the wider Manawatu Region. This is the second of 2 presentations delivered for the local industry.

### Welcome:

Tony opened the forum with a welcome and introduced Jeff Strampel Site Safe NZ as the presenter and acknowledged the presence of the representatives from WorkSafe NZ, Vanessa McAdam, Sarah Clark and Nick Barclay.

Tony explained that this session was the second of a joint effort between Site Safe NZ and the Manawatu Health and Safety Forum.

Please visit the Site Safe website for a copy of the free help guide which was discussed at the meeting.

**Site Safe NZ Members in association with the Manawatu Health and Safety Forum presentation on the Health and Safety at Work Act 2015. 29 June 2016**

**The meeting closed at 6.00 pm.**

The next forum had been scheduled for 20 July 2016, looking at the New Regulations relating to Asbestos that came into effect on the 4<sup>th</sup> April. This has been postponed until August (date TBA)

That will be followed by a further 3 meetings, initially another Building Skills Maintenance (BSM) meeting in September. This session follows on from the introduction of the 2015 Legislation and will look at how Worksafe have planned to interact with the industry in general moving forward. Following that presentation, the Manawatu Forum will meet to gather feedback from Industry on what aspects of the new legislation, and the plans for the Worksafe interaction need further clarification.

This will be an important session that will establish in part the subject matter for further sessions in November and into 2017.

Meetings dates and locations will be advised as they come to hand. In the interim, if you have subjects that you feel will be of interest for the forum, please email through the details so they can be taken into consideration.

<b>Next Meeting:</b>	August 2016 (TBA)	<b>Venue:</b>	TBA
<b>Subject:</b>	Asbestos	<b>Time:</b>	4 pm
<b>Chair:</b>	TBA	<b>Host:</b>	Worksafe NZ
