Guest Speaker(s):

Mike Wynands – Armour Safety	
<p>Mike delivered an informative presentation on gloves which covered different classifications and provided examples. Mike is willing to trial the different types of gloves with prospective users to achieve the right glove for the job. Note – Armour Safety do not sell direct, following the trial Mike will provide details of suppliers.</p> <p>Copies of hand –out/ literature are available.</p> <p>Question - Effectiveness of Multipurpose glove.</p> <p>ANS discussions are on- going re cost effectiveness</p>	

General Business	
Jason - MBIE Dust is a 10 year project issues to be aware of include <ul style="list-style-type: none"> • Think of others when dust is created • Air borne contaminants – Fletchers • Ratings for protection – face fitting, face seal • Hilti & Karcher provide dust collection units 	
“Wwere there any problems with Dehydration as a result of the hot weather we have been experiencing” general consensus was drink plenty of fluids. How much is plenty ranged from 24-26 cups a day to pinching the skin and observing elasticity.	Jim
