Minutes

1. Introductions Around the room
2. Thanks to Site Safe for breakfast, The Venue and the Xmas Bags
3. Apologies from Steve D'Ewes, ACC. Steve has sent a document (attached to this email) on injury statistics in the construction industry
4. Steve Moran. Presented. He discussed how memories from some deaths from within the industry could stick around with one, especially if they have attended the site (His personal Experience) Steve used a PPP (Attached to this email) that he used at a recent Safety Charter meeting. Still all relevant of course. Thanks Steve
5. Nathan Docherty, ECan discussed the importance of securing sites over the holiday period, especially hazardous substances, and of course, sediment run off should the weather turn wet. Dust should also be control if the weather is not wet
6. Dave McBeth, Southern Regional Manager, Site Safe NZ talked about Site Safe in general and the future growth of Site Safe. He also talked about current and new courses that Site Safe are running. There are now 20 courses on offer. He also Introduced Dean Wills, who has recently transferred from the North Island to the southern region with Site Safe. Dean is the new Site Safe representative for the SLG
7. Next meeting is 15th February 2018, This will be at the Ara Site, Ensor's Road
8. If you would like to sponsor a breakfast for 2019 please let Kelvin know. In addition if you have any idea for guest speakers you think members may like to hear from please let Kelvin know
