## Minutes

1. Introductions
2. Thanks to Martin Rae from Bolle Safety for breakfast
3. Thanks to Ara for providing venue
4. Steve D'Ewes from ACC presented. His PPP is attached to this email. Also attached to this email is the 2018 Business Customer Seminar Invitation to which he also mentioned
5. Steve Moran from Work Safe presented. His notes are as follows
  - Welcome
  - Encourage audience to visit WorkSafe's website - accepted comments that search function does not always produce the right result but if proving difficult try the menu tab and filter using the logical pathway to find what you want
  - There are some recent additions on the website such as H&S by Design and a Noise package/fact sheets both really good resources
  - Watch the second of Nicole Rosies "Insights" videos (Mai Chen Chair of the Super Diversity Centre talking about the challenges in diverse workplaces)
  - Safe Plus on line tool now live
  - Operations has a new leadership team including a Head of Health and Technical Services (DHB background adding to our understanding of Psychological risk /harm)
  - Construction - continuing non-compliance (work at height and asbestos management)
  - BSM Construction Roadshow - 25 October Hornby Workingman's club / 29 October Woolston Club
6. Dan Stuart Forbes presented. Dan lost his leg in a work place accident earlier this year and he shared how it affected his life and those around him. Dan's presentation was amazing. He was humble, shy, funny, and honest. It was a true pleasure to have him there. Thanks Dan
