Minutes

1. Introductions
2. Thanks to Brian Woods from ICS for breakfast
3. Thanks to BCITO for providing venue
4. Charles de Lambert NSISM, talking about HASANZ and the upcoming Health and Safety practitioner register. **Contact for more info**
5. Jill Williamson from ACC – Industry update. **Contact for more info**
6. Nathan Dougherty ECAN. Nathan spoke about the importance of sediment control and the damage that sediment does to our waterways. Gave some examples of painters who had been contaminating a stream with paint. Nathan is happy to come and give on site advise to companies and workers alike
7. WorkSafe NZ, Steve Moran, Industry update and asbestos information. **Contact for more info**
8. General Business
9. Breakfast sponsor for next meeting is Hanham and Philip
10. Next meeting is 19 October 2017 at the BCITO

A great thanks to our speakers who do an amazing job at presenting each month
