OPPORTUNITIES

EVENT DETAILS

Site Safe is proud to host the 2019 Evening of Celebration. The evening includes Site Safe's Graduation and the Construction Health and Safety Awards and is about recognising and awarding people and organisations for their hard work in making our workplaces safer. This event is our way of giving national recognition to those who are making a difference in the construction sector.

Auckland event

Our Auckland event will include an audience of around 350 people from the construction industry including graduates, sponsors and award winners. The night will include dinner, drinks, entertainment, presentations to Site Safe's graduates in the New Zealand Certificate in Workplace Health and Safety Practice and winners of the Construction Health, Safety and Wellbeing Awards.

Wellington and Christchurch events

Our Auckland event will be followed by smaller graduate events in Christchurch and Wellington. Graduates who were unable to attend the major Auckland event will be recognised at these events.
