

2026 SITE SAFE EVENING OF CELEBRATION SPONSORSHIP PACK

Celebrating Health, Safety and
Wellbeing in NZ construction and
recognising our future safety leaders.

SITE SAFE
Te Kaitiaki o Haumarū

THE EVENING OF CELEBRATION

Site Safe's Evening of Celebration is New Zealand's largest health and safety event in the construction sector.

Since 1999, the Health, Safety and Wellbeing Awards have been held annually to honour organisations and individuals who demonstrate excellence, innovation, and leadership in workplace health and safety.

The evening also recognises the graduates of Site Safe's Health and Safety in Construction Certificate Programme, acknowledging their dedicated commitment to professional development and advancing safety leadership across Aotearoa.

With over 350 industry leaders, innovators and safety champions attending, it's a chance to connect, share ideas and be inspired by the progress the industry is making to improve safety nationwide.

“It’s not just an event, it’s a genuine celebration of the people making a meaningful difference in changing the landscape of health, safety and wellbeing in construction. “

– Brett Murray, Site Safe Chief Executive.

KEY DATES

Auckland Evening of Celebration

Date: 5 March 2026

Wellington Graduation

Date: 19 March 2026

Time: 5.30 – 7.30pm

Venue: Lower Hutt Event Centre

WHY SPONSOR?

By sponsoring our Evening of Celebration, you'll not only align your brand with excellence, but also gain prominent visibility at our regional graduations. This event series offers an unparalleled opportunity to showcase your commitment to health and safety, expand your network, and connect directly with key industry players.

Brand Positioning

Position your organisation as an active supporter of health and safety in the workplace. Show your commitment to making workplaces safer and healthier.

Brand exposure

Increase brand awareness with hundreds of key business decision-makers on the night and benefit from wider industry exposure in our marketing and promotion leading up to, and after the event.

Networking

Engage with industry leaders, senior executives, government representatives and influencers in health safety and wellbeing.
